through the Project Preparation Facility for the projects “Replacement of old diesel buses with electric buses with two charging /power stations”, “Thermal rehabilitation of pre- university units in Cluj-Napoca” and “Modernization and expansion of the public lighting network and modernization of lighting system in two city hall buildings using LED technology” submitted for financing under Objective 1 of the Focus Area 4 -"Improvement of the Environment" included in the Swiss-Romanian Cooperation Programme to reduce economic and social disparities within the enlarged European Union

Press Release

9 October 2013

Cluj-Napoca Municipality has signed, within the Swiss-Romanian Cooperation Programme on the 23 September 2013, the Agreement for the assistance granted under the Project Preparation Facility aiming at the preparation of feasibility studies, the documentation of approval of the intervention works and final project proposal for the following projects (including the financial audit for these activities):

“Replacement of old diesel buses with electric buses with two charging /power stations”

“Thermal rehabilitation of pre- university units in Cluj-Napoca”

“Modernization and expansion of the public lighting network and modernization of lighting system in two city hall buildings using LED technology”

The financial assistance is provided through the Project Preparation Facility. The final project proposals will have to consider the contribution to sustainable energy management, through thermal rehabilitation of public buildings, heating, energy supply, public lighting, public transport and urban planning.

The implementing period of the Supporting Measure has started on 23 September 2013 and will end on 31 March 2014.

The value of the assistance provided through the Project Preparation Facility is of 200.002 CHF, which is the equivalent of 720867,2 Lei, 85% representing the contribution of the Swiss Federal Council and 15% representing the Municipality of Cluj-Napoca contribution to eligible costs.

Also, Cluj- Napoca Municipality has committed at the moment of the submission of the application to make all the necessary diligences for the "European Energy Award" certification.

For more information about the implementation of the Agreement, please contact Mr. Adrian Raulea, Head of Strategy and Local Development, Project Management Department, phone number 0040 264 596 030, int. 4630, fax: 0040 264 33 44 00, email: adrian.raulea@primariaclujnapoca.ro
